

# PICKLE BALL

## CANMORE SENIORS ASSOCIATION

We are pleased to once again offer Pickle Ball play at the Canmore Seniors Association. To ensure the safety of all members, we will be using a reservation system where you will book a time to play in advance. No drop ins will be accepted. There are also a number of protocols that we must follow to protect ourselves and others during this pandemic. These may not be a complete set of rules, but we will start here. As we gain experience, we can modify, adjust or relax these rules with the guidance of the CSA Executives who are being extremely diligent. The reservation system and attendance record will be used to facilitate contact tracing in the event of a COVID case being experienced.

1. All players must be paid members of the CSA and all CSA members are invited to play.
2. All players must sign a waiver and complete a checklist each time they enter the building to play. The waivers are located on the table at entry.
3. Masks **MUST** be worn at all times in the building and during play. There will be no exceptions as this is mandated by the CSA executive after consultation with professionals. Masks may be lowered while seated between games with appropriate distancing.
4. Play will begin on October 1, 2020.
