

Watch your emails for Thursdays for a Sign up for Pickle Ball at the Seniors Centre.

We have various days(mornings, afternoons and evenings) throughout the week. We will split our available slots into 1.5 to two-hour time slots to ensure that we accommodate as many players as possible.

We will also offer play for beginners (in the Novice slots), intermediate, and advanced players. Of course, any player can challenge up into a higher skill category.

Additional time slots will be available from time to time and will be included in the Thursday Sign Up notice.

Must be a paid-up member of the CSA

See you at the court.

**For more information or to be included on the pickleball weekly sign-up email contact:**
